

NCR EasyPoint™ 42

Kiosk

Looking for a best-in-class multi-purpose kiosk that can be deployed virtually anywhere?

YES

The NCR EasyPoint 42 is a durable solution that provides an exceptional customer experience.

The NCR EasyPoint 42 is designed to be a flexible solution for all of your self-service kiosk needs. In addition to safeguarding your technology investment, the NCR EasyPoint 42 passes comprehensive environmental and compatibility tests that increase reliability and reduce repair and down times.

- **Versatile design**

This kiosk can be placed almost anywhere your imagination takes it! The installation can be virtually anywhere needed for maximum impact: a tabletop, shelf, pole, wall or pedestal.

- **Rugged construction**

The rugged construction of the NCR EasyPoint 42 withstands the demanding rigors of today's environment. The kiosk undergoes extensive environmental testing by NCR engineers to ensure that down time is reduced so your customer can enjoy maximum availability.

- **Superior serviceability**

Easy to service means reduced repair times and less down time for you. The NCR EasyPoint 42 requires minimal tools for most regular maintenance, which ensures component replacement in a fraction of the time required by other solutions.

- **Exceptional user experience**

This ergonomically designed kiosk is easy to use, and makes your customer feel comfortable and confident. The 15" touchscreen and high-quality speakers provide your customer with a superior experience.
